

DMC-004-003

Extension module 4 outputs

Maximum current 4 lines 0 / 1-10V + 4 potential free contacts

Power supply (tension) 100-240VAC; frequency 50-60Hz

Installation Rail DIN (larger 9 modules)

Commande system Bus Domestia

Power consumption Maximum 3 W

Connecting terminals for the outputs and

power 2 x 1.5 mm² ou 2.5mm²

Connecting terminals for RS485 1 x 1.5mm²

Protection Protection in case of short circuit

Temperature extremes -10°C to +45°C

Pushbuttons (stand alone mode) NO 230V ~; 5mA (without galvanic isolation)

Push buttons (Domestia bus mode) NO

Maximum distance to the last push button 50m in stand-alone mode 300m on the Domestia bus

Weight 447 gr

Norms CE

Packaging 1unit
