

## DMC-004-003

Extension module 4 outputs

**Maximum current** 16A per output

**Power supply (tension)** 100-240VAC; frequency 50-60Hz

**Installation** Rail DIN (larger 9 modules)

**Commande system** Bus Domestia

**Power consumption** Maximum 3 W

**Connecting terminals for the outputs and**

**power** 2 x 1.5 mm<sup>2</sup> ou 2.5mm<sup>2</sup>

**Connecting terminals for RS485** 1 x 1.5mm<sup>2</sup>

**Protection** Protection in case of short circuit

**Temperature extremes** -10°C to +45°C

**Pushbuttons (stand alone mode)** NO 230V ~; 5mA (without galvanic isolation)

**Push buttons (Domestia bus mode)** NO

**Maximum distance to the last push button** 50m in stand-alone mode 300m on the Domestia bus

**Weight** 270 gr

**Norms** CE

**Packaging** 1unit
