

DMCT/DMCS-001-001

Temperature, luminosity, humidity sensor

Power Source 16 VDC via command module DME-LAN-002

Installation In a switch box

Addressage Address indicator X10 and X1 (maximum 32 sen-

Communication system *Bus* RS485

Detector Digital

Temperature precision 0.1°C

Luminosity precision 1 Lx.

Humidity precision 0.5%

Connection for RS485 and power source 5 fils 0.5 mm² (24 awg)

Temperatures extremes -10°C à +45°C

Dimensions 40 x 40 x 20 mm

Weight 50gr.

Norms CE

Packaging 1 Unit
